## LEARN, GROW, LEAD

You like to grow with new tasks, you're already enthusiastic about leading groups or curious about it?

You like to learn (also about yourself) and you're inspired by the exchange with other people?

Then come to our training seminar and get the knowledge for international group leadership!

## WHAT ARE WE GOING TO DO ?

The 5-day seminar prepares you ideally for the leadership of international groups. Together we explore the different aspects of group leadership and strengthen you in your role.

Do you want to apply for a youth leader card (Juleica)? If you attend our "Juleica Aufbaukurs" - an add-on course - after this training, you will have everything you need!
